

NOTICE TO ALL SWIMMERS

**Due to a outbreak of Cryptosporidiosis,
a recreational water illness:**

**Do not swim if you have had diarrhea in the past two weeks AND
do not swim **for two weeks after diarrhea stops.****

**Children under the age of five (5) are restricted from swimming
at this time. Children 5 years and older are permitted to swim.**

Persons in diapers are not allowed to swim.

**Complete shower is required before swimming and wash hands
after using the toilet or changing diapers.**

Do not swallow pool water.

**Individuals with a weakened immune system should not swim in
recreational water at this time because of the risk for serious and
long-lasting illness.**

**Laboratory testing can not determine if the water is safe from
Cryptosporidium.**

**For more information, please call:
Utah Department of Health 801 538-6191
or your Local Health Department**
